Payment will be direct to the hotel on arrival we will just pre book your rooms and send you the confirmation email for you to show on your arrival.

Welcome to our Basic Membership

Our Basic membership package allows your company to be part of our group and allows us to assist you with growing your business. We are delighted our basic members choose to join us and we are happy to assist their growth and entry into new and uncharted markets for them that could be otherwise daunting and extremely costly. We will advise you on the pit falls and dangers of these markets and assist getting you the best possible start to achieving success in the markets you want to succeed in.

The CGCCI is focused on giving the best possible support for our member companies. Our basic members tend to be sales driven rather than networking and social functions that's why the CGCCI works closely with our market entry company to give the best advice and support possible to our Basic membership partners to get them on the road to success in these new markets.

Introduction to CORFO Government Funding Facility in Chile

For companies wishing to enter Chile and seeking funding possibilities CORFO is the place you would benefit greatly. We work closely with CORFO as well as other government agencies to point you in the right direction giving you as much assistance to seek the right advice you need. This is a great added value for companies wanting to enter Chile and the LATAM markets as CORFO can arrange funding assistance where needed based on the business sector you are working in. We will introduce you to high management at CORFO either in person should you wish to travel or via email to begin the procedure.

Delegation Invitations.

We will send you invitations to join Delegations throughout the year which will be taking place in cooperation with local Embassies so you can network to seek new business opportunities and meet influential business leaders.
